April 6, 2020

## A Note From Our Director

During this time of trouble, I am more convinced than ever that our calling as musicians and singers is a necessary and important one. I am so thrilled when I hear of you playing or singing for family and friends that need cheering up or need comfort. Music is such a blessing to the world, especially when it comes from hearts like yours, full of love and light! So keep working and practicing! We have much work to do! Hopefully, we will still play all of our concerts, just later than planned. In the meantime, when you have something prepared to give away that you think would bless folks, Email the video to me and I can put it on Facebook. I miss you!

## Lessons Continue on Zoom!

Our teachers continue to work tirelessly

and creatively conducting online lessons through Zoom. This has been quite a learning curve for all, yet we are persevering and the results have been amazing! Keep up the good work!

## Stay Tuned-

Regarding our end of year celebration concert and other disrupted scheduling. Our sincere hope is to be able to perform all of these wonderful events.

## Sheltering Wings- A Studio3 Initiative to Bring Joy While We Shelter!

It is a privilege to be able to bless our community by sharing the gift of music during this critical time. Studio3 students and teachers have been submitting some of their pieces in varying creative formats, allowing us to share this joy through our Facebook and YouTube pages. Visit us on these pages and help us bless others by sharing the links with your friends and family.

**Saved From the Dump Fundraiser** was a tremendous success! This event was held on March 14th when the COVID19 notice went out and suggestions that no more than 50 people gather at once. It was a beautiful day, and though numbers were low, the event raised more than \$600 for our school! Thanks again Saved From the Dump in Statesville and all those who made the day amazing.

### **Studio3 Student Hi-Light**

We're so proud of our own Kennedie Millsaps who won the talent event for the Little Miss Lenoir Rhyne beauty pageant this past month. Way to go Kennedie!
